### And What Have You

By BOB CRAIG

It has been a long time since Hamlin has had as exciting a ball club as this year's team is proving to be. Of course any time you win your team looks good but with Robert Bolden, Spencer Ford and Don Bockmon all breaking lose for long gains you begin watching every play just a little closer.

It has been a long time since we have seen so many boys down field helping the runner out—sometimes it even looks like maybe we have too many as they sometimes seem to be in the wrong place. Of course it is the fine line blocking that makes those big runs possible and the blocking on our power sweeps has been outstanding.

While we are passing out bouquets to the offense we must not leave out Charlie Shira who is doing a great job calling his plays and putting them in motion. Right now his passing record is not too good but our receivers have dropped enough to have given him a respectable average. Before the season is out we expect this department to show a big gain.

And the defense has been simply great as they have shut out two good offensive teams in a row. Every time the opposing team seems to have a good drive going our defense has come up with the big play and stopped them.

We just hope that these boys can continue to improve each week as much as they have the past four weeks because in the district we play that is what it takes. The team that wins the title is the one that gets stronger every week and doesn't really hit their peak until the season is over.

We noticed in the Sunday Fort Worth Star-Telegram that a former Hamlin student is doing a fine job this year playing for the Granbury Pirates. Steve Gibson, who moved to Granbury a little over a year ago with his sister, Cheryl, and his mother Mrs. Boyd Gibson, is playing halfback for the Pirates.

In their 28-0 win over Dublin, Steve threw a halfback pass for 30 yards and a score and ran a two-point conversion.

We are glad to see Steve having a good year and only wish that he could be playing for the Pipers this year.

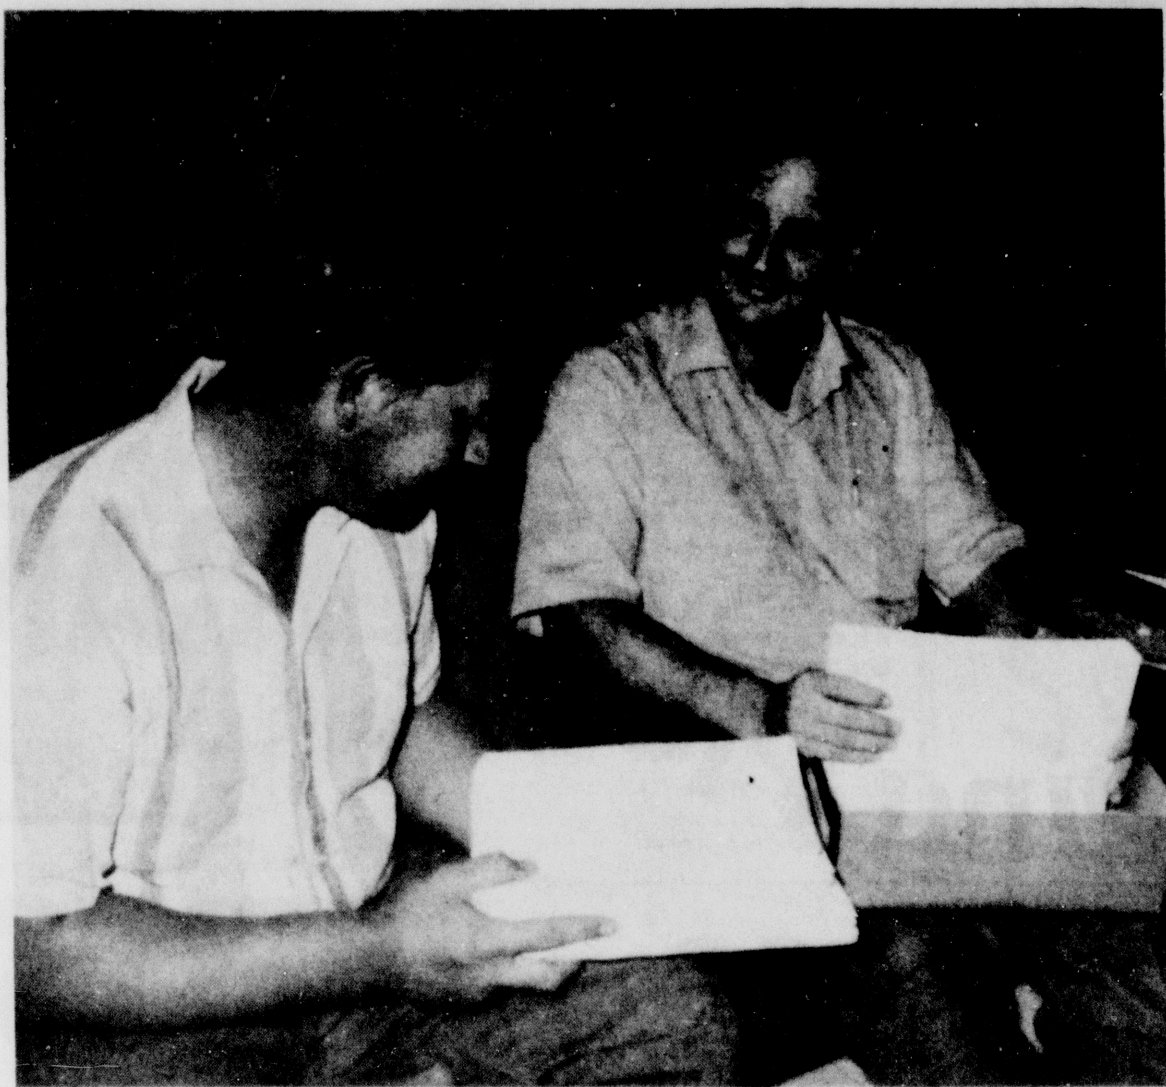

We received a note from a Donald Peavy of Houston expressing his appreciation to Floyd Briscoe for having helped Mr. Peavy and his family when they were having car trouble west of Hamlin. This occurred Sept. 27. Mr. Peavy expressed the opinion that Mr. Briscoe was truly a good Samaritan.

It is voter registration time in Texas again. The period started Oct. 1 and ends Jan. 31. Everyone must register except those absent from their county of residence in active military service.

Up until last year those over 60 in the rural areas did not have to register but this is no longer the case.

Application blanks have been mailed out to all of the residents in the county who were qualified to vote last year. If you misplace yours or fail to get one you may pick up a blank at the BCD office.

Persons who become 21 by Jan. 31 must register by that date. Those who become 21 during the year may register during the regular period or anytime afterward but must register 30 days before an election they wish to vote in. This is also true of anyone moving to Texas after Oct. 1.

PREPARE TO MAIL LETTERS—Skipper Smith, left, and Guy Weaver, local Jaycee members prepare to mail the estimated 1,500 letters being sent from Hamlin to support the right of religious expression by the astronauts in space. The letters are signed by local residents. The Jaycees were pleased with the response. This was a statewide project of the Texas Jaycees to offset the letter campaign waged by Mrs. Madalyn Murray O'Hair to prohibit Bible reading and prayer in space.

## Lone Star Gas Asks City for Rate Hike

Lone Star Gas today asked the city of Hamlin to increase local residential and commercial natural gas rates to enable the company to earn a reasonable rate of return on the fair value of properties used in rendering public service.

The application for rate increase, the first major request since 1953 based on an income deficiency in the Hamlin distribution system, listed increased cost of gas, higher property and equipment costs, increased wages and salaries, higher interest rates on borrowed money and increased taxes as primary reasons for the deficiency.

The company indicated that it had used every means avail-

able to avoid a request for rate increase, but inflationary pressures not under the company's control necessitated the application.

"Obviously our wish to keep gas rates low must be balanced with the economic pressures we face," C. F. Hilburn, manager of the Hamlin distribution office, said. "These pressures can no longer be offset in any other way."

Approval of the company's application would increase the average monthly residential gas bill by approximately \$1.62.

Lone Star Gas serves approximately 1300 customers in Hamlin.

### JUNIOR HIGH TEAMS STOP HASKELL HERE

Hamlin Junior High teams swept both games from the Haskell Junior High School here Tuesday evening.

The eighth grade defeated the Haskell boys 26-0 after being held to a short six-point lead at the half.

The seventh grade team, paced by the running of Johnny Jones, ran by the Haskell team 36-14.

Games next week with Anson will be played there on Tuesday and Thursday. The eighth grade plays at 7 p.m. Tuesday and the seventh grade game will be at 5:30

## Deadline Nears to Enter Punt, Pass, Kick Contest Here Saturday

Time is running out for Hamlin area boys to register in the Punt, Pass and Kick Competition. This competition, now in its ninth year, is open to boys 8 through 13 and is absolutely free. They will be competing for 18 handsome all-metal trophies to be awarded during the local competitions which are sponsored by Connally Ford Sales and the Hamlin Jaycees.

The local competition is scheduled to be held at Piper Stadium Saturday on Oct. 11 at 9:30 a.m. Local first place winners then go to Zone and then, possibly, District, Area, Division and National contests where they will compete for more trophies.

Contestants will be competing against boys in their own age group in three football skills—punting, passing and kicking. Gold trophies

will be awarded to the first place winners of each age group, silver to the second place winners, and bronze to the third place winners. There is no body contact and participating does not affect a boy's amateur standing.

Registration closes October 10, so all boys 8 through 13 are urged to go with their mom, dad or legal guardian to registration headquarters at Connally Ford Sales.

Everything is free and each boy gets a copy of the PP&K Tips Book which contains stories and tips by Don Meredith and Mike Clark of the Dallas Cowboys and Billy Lothridge of the Atlanta Falcons, and an introduction by Don Shula, the coach of the Baltimore Colts.

Punt, Pass and Kick is a nationwide program that is sponsored nationally by Ford Dealers and the National Football League.

## Letter to Editor—Singing of Our Anthem Urged Before Games

Dear Editor:

And another good thing besides the score, about the Merkel football game last Friday night was the fans SINGING The Star Spangled Banner, accompanied by the band, prior to the kick-off.

I agree with, and quote, one of our government statesmen who recently said, "Even if our National Anthem goes 'Oh, say can you . . . sque e e k . . . ' it can still raise some mighty big goose pimples."

I would like to hear our school officials and or announcer, at our next home game, invite the spectators to sing "The Star Spangled Banner." Also, it might be a good idea to encourage the adults to use their program and sing along with the Piper Song. One does not have to be a student or an ex to help promote school spirit by singing the school song.

## Work Continues On Plans for Homecoming

Continuing plans for the annual Homecoming for ex-students and teachers of Hamlin Public Schools were made at the Monday evening meeting with Mrs. Robert Fowler, president, presiding.

Report was made that the directory of names and addresses of all former students and teachers was progressing nicely. Many copies have already been reserved. Mrs. Fowler noted. A limited number will be printed so copies should be reserved in advance, she said.

Local ex-students are being urged to have class meetings in their homes. When plans are made for a meeting Mrs. Fowler should be contacted so that an announcement can be made.

## Mrs. M. J. Scott Attends Forum

Mrs. M. J. Scott attended an Area Leadership Forum of The National Secretaries Association in Lubbock last Saturday. The forum was sponsored by the Caprock Chapter of NSA.

Representatives of chapters from Midland, Big Spring, Canyon, Abilene and Lubbock attended. Mrs. Pauline Wern CPS, Texas-Louisiana Division first vice president was keynote speaker.

## Pipers-Blizzards Play Here Friday

The Pied Pipers will be trying for their second district win Friday night when they host the Winters Blizzards in Piper Stadium at 8. The Pipers captured their loop opener last week by whipping Merkel, 29-0. The Blizzards will be seeking their first win of the season as they dropped their district opener to Anson, 25-12.

Coach Joe Youngblood told the Booster Club Monday night that both the coaches and the team were proud of the Merkel win and added that it was the best overall team performance in a long time. He said that the team was in the best of spirits and he was looking for a real good effort again this week.

Youngblood told the Boosters that the team was doing a real fine job this year with their punting and kicking game and that the passing game was getting better. He also noted a marked improvement this year in the blocking and the second effort by each of the boys.

Scouting reports on Winters indicated that it is hard to know what to expect from the Blizzards on offense since they have run a different offense in each game they have played this year. But a number of trick plays are to be expected regardless of the formation they use this week.

## B Team to Meet Cooper B Team Saturday, 10:30

The Piper B Team will travel to Abilene Saturday morning to play the Cooper B Team in Fair Park Stadium at 10:30. The game has been changed from 4 p.m.

The local B Team will be carrying a 1-1 record into the contest with a loss to the Roby Varsity and a win over the Wylie B Team.

Barry McDonald, Jackie Warner and Darryl Ponder were elected team captains this week.

## Pack Meeting Set

A called Pack Meeting has been set for Monday evening in the Primary cafeteria at 7:30, according to Gene Witt, Cubmaster.

All Cub Scouts, their parents and all boys interested in becoming Cubs are urged to attend. District Scout Executive Bennie Young of Abilene will attend the meeting.

Winters is fielding the smallest team this year that they have had in a long time with the following probable starters in the line: Von Byrd, 145, split end; Tommy Jones, 178, and David Harrison, 170, tackles; Joe Pritchard, 160, and

Ray Cooper, 160, guards; and Mike Emmert, 164, center.

In the backfield will probably be Ronnie Wilson, 148, at quarterback; Mike Mathis, 145, at tailback; Arlon Barnes, 153, at fullback; and Bill Baldwin, 160, at flanker.

## LaFoy Patterson, Civic, Church Leader, Dies Here Monday

La Foy Patterson, 56, 238 N. W. Fourth, a Hamlin civic and church leader, died at 1:20 a.m. Monday in Hamlin Memorial Hospital. He had been ill for a few months and hospitalized previously in Dallas and more recently in Abilene. He had been in the local hospital for two days.

A former president of the school board, Patterson also served as president of the Hamlin Riding Club and was a deacon in the First Baptist Church.

He was a farmer, rancher and retired banker.

LA FOY PATTERSON . . . rites held Tuesday

FROM THE FILES . . .

Forty-five years ago  
(October 10, 1924)

Twenty-eight hundred bales of good nice cotton is not so bad after all for this time of the year. When it is remembered that considerable wetweather has prevailed, the crop is being gathered fast. Again pickers are scarce in this neck of the cotton patch and that fact holds back the number of bales to be weighed.

In the second game of the season, the Hamlin High Pied Pipers completely outplayed and out fought Roby High School and in easy fashion defeated them by the tune of 93 to 0. This is the largest score that a team representing Hamlin has ever made and the boys are feeling jubilant over it.

Coach Hinton used about twenty-four men in the game. Nearly every man on the squad had a chance to play.

The back field showed up to a great advantage over their playing of last Friday's game with Colorado City. They had more drive, fight and speed and many long runs, brilliant and tense moments came, all of which made it interesting despite the top heavy score.

Much fun was afforded when the 2nd Team took the ball down the field for a touchdown. Each one of these small fellows showed that they had the qualities for future football men.

The line was fighting all the way and never once did Roby make a first down. They were charging, rushing all the time and they smothered every play that Roby attempted.

Every man played his part in a well oiled machine like manner and if they keep this up they should have a great year.

Hamlin's long-time effort to obtain free city mail delivery appeared headed for early success this week when markers ordered for city streets arrived, and a letter was received by Perry Sparks, postmaster, stating that equipment for the delivery was being put on order.

The street markers, enough to erect on the proposed city mail route, were received by B. V. Newberry, chairman of the joint Lions-Rotary committee, which has had charge of the marking and house numbering program.

Sparks said he wrote the post office department several weeks ago and advised that all require-

ments for mail delivery would have been met within a short time. The letter which said the equipment had been put on order was received this week.

A post office inspector is due to Hamlin about October 15 to make final check of the house numbering and street marking before giving his final approval for inaugurating the service.

Initiation of 50 new members into the Hamlin chapter of Future Homemakers of America was in the home economics room of the high school Tuesday evening.

Frankie Wilson, president of the chapter, was in charge of the business session which preceded initiation. Officers of the club, Mrs. Wilson, Oleta Kite, vice president; Louise May, secretary; and Rose Brady, parliamentarian, assisted by eight other members conducted the initiation. The national FHA ceremony was used.

Not only will Hamlin be the site for the fifth annual homecoming of ex-students of Hamlin High School, but an outstanding rodeo show is slated Saturday afternoon by the Hamlin Riding Club at its arena in the north part of town.

Modest Coach D.C. Andrews saw his Hamlin Pied Piper grid crew run their winning skein to five straight victories Friday night by trimming the Winters Blizzards 26 to 16 on the Winters griddle.

The Pipers ran up an impressive 309 yards on the ground and completed five of eight passes for 56 yards to make 22 first downs in the fracas. Winters made 39 yards rushing and completed five of 16 passes for 130 yards in the air and eight first downs.

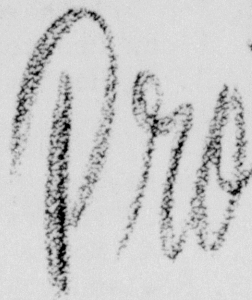

Halfback Victor Criswell was the star of the night, making the first touchdown in the first quarter on an 80-yard run and passed for two more touchdowns. In nine carries he made 101 yards for the Pipers.

Criswell's touchdown came early in the first quarter. After a Winters kick rolled dead on the Hamlin three, Sam Hodges made 17 yards, then lateraled to Criswell who ran the remaining 80 yards.

Tobe Shields scored the second marker in the second period after good gains by Ken Prewitt and Robert Brandon. The score was 12 to 0 at the half.

Going 57 yards in 10 plays the Pipers scored shortly after the second half opened. Steve Stephens tallied on a pass.

★ STOP TEN YEARS AGO  
(October 8, 1959)

The signal light ever, they protest.

The Bible is Gopump station in Southwest Hamlin path through life registered only 4.85 inches.

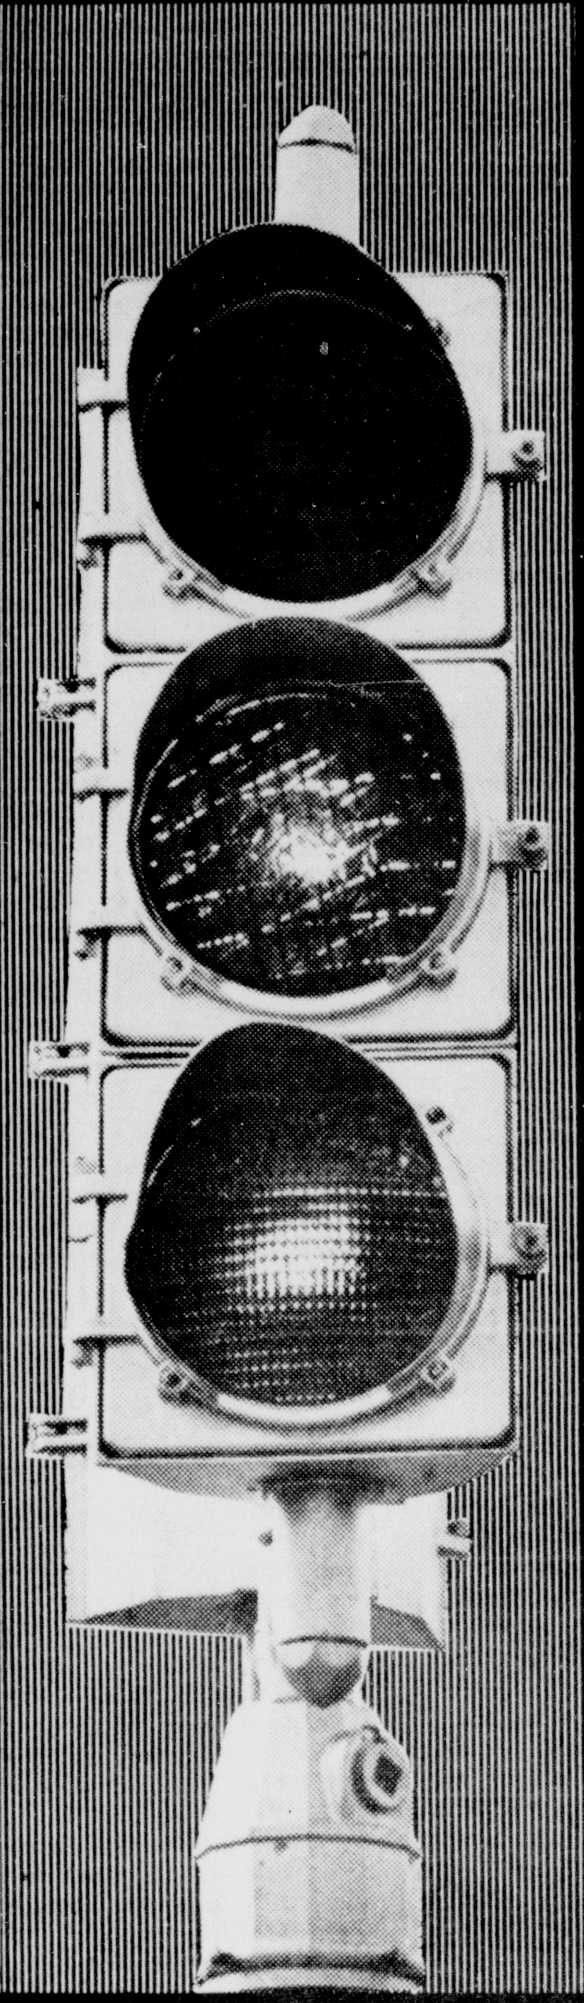

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness. ATTEND CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Charles Stenholm, Stamford, Elected RPCG Head At Meeting

Charles Stenholm, young Jones County cotton farmer, electric co-op manager, former vocational ag teacher and a member of the Board of Trustees of the Cotton Producers Institute, is the new president of Rolling Plains Cotton Growers, Inc.

Stenholm was elected successor to J. B. Cooper, Jr., Roscoe cotton grower, as chairman of the 32-county grower group at the annual membership meeting recently in Abilene. Cooper had served three busy years as head of the organization.

Other officers named at the meeting, attended by a record crowd of more than 400 members, included Neuman Smith of Ballinger, renamed vice president of the southern section; J. Frank Inman of Childress, vice president of the northern section; and Billy Golden of Seymour, secretary-treasurer.

Named to the executive board, in addition to these, were Cooper, H. A. Hodges of Memphis; L. H. (Shorty) Wall of Vernon; A. D. May from

Rule; Linden Solomon of Colorado City; and R. O. Werner of Miles.

In addition to the 64 directors of the organization, the following were named directors - at - large:

R. H. Whorton of Roscoe; J. L. Hill from Stamford; David Baumgardner of Wellington; Joe Liles of Childress; Don Brothers and R. A. Wall, both of Paducah; Jim Copeland of Ballinger; Charlie Thompson of Colorado City; Bentley Baize from Snyder; Ray Altman, Alfred Spauldin and Buford Holland, all from Donley County; J. F. Matthews, Jr., from Foard County; Willie Meyer, Hall County; Cohler Jameson of Concho County; and Robert (Bob) Graves of King County.

Each of these has the same official status as the two regular directors from each of the counties.

Mrs. Anita Wilhelm of Abilene and Mrs. A. J. Smith Sr. of Anson visited in the home of Mr. and Mrs. Monroe Tabb Sunday afternoon.

## Elementary Girls 4-H Club Elects Officers Monday

Freshman class members held a meeting Thursday in the cafeteria. Business taken care of was the picking of the mum as class flower and the setting of class dues at \$2.

Members of the Student Council were busy during the past week selling twirl licenses. The week, characterized by the girls asking for dates instead of the boys, started Monday and will last until this Saturday.

hhs

An FFA meeting was held on Monday. The meeting was concerned mainly with the initiation of new members or "Greenhands."

hhs

The H. H. S. Stage Band had its first rehearsal of the year Sunday afternoon. Many new members were present.

## Junior High 4-H Club Organizes, Elects Officers

Hamlin Jr. High Girls 4-H Club was organized for the 1969-70 school year when Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, met with them at the Junior High Cafeteria Monday.

The agent discussed the aims of the 4-H, the meaning of 4-H, the 4-H Emblem, Motto, Pledge, Prayer and the requirements of a 4-H'er.

The different demonstrations and projects the 4-H Club girls can carry were discussed. The different areas that 4-H'ers can work are Foods and Nutrition, Clothing, Money Management, Public Speaking, Bedroom and Home Improvement, Leadership and Safety.

Officers elected were: president, Carla Adair; vice president, Diane Ford; secretary-treasurer, Dana Wright; reporter, Piper Willis; council delegate, Jerri Ann Waggoner; song and recreation leaders, Connie Christian and Elaine Kelley.

## Fifth Grade Class Elects Officers

Students in Mrs. Harvey Elkins' fifth grade class elected officers for the club which will meet every Friday. Elected last week were Denise Haight, president; Tonya Covington, vice president; Tracy Asher, secretary-treasurer; Andy Webb, librarian; and Treva Jo Pettit, reporter.

A program committee will be responsible for providing a program each week. Friday "Monsters in Town" was presented by the following actors: Denise Haight, Allen Young, Cheryl Baker, Sue Sellers, Tonya Covington and DeDe Young, the monster. As each one went to the monster, they fainted. Then Lisa Howard, the narrator, asked Mrs. Elkins to look at the monster. The monster fainted.

## S-Sgt. Don Myers In Western Pacific

Staff Sgt. Don W. Myers, son of Mr. and Mrs. W. D. Cleveland of Rt. 1, McCauley, is now on temporary duty with the 4133rd Bomb Wing at a forward base in the Western Pacific.

Sergeant Myers, a material specialist, supports B-52 Stratofortress bombing missions against enemy targets, KC-135 Stratotanker missions that provide aerial refueling to the B-52s and fighter and reconnaissance aircraft conducting the air war over South Vietnam.

He is permanently assigned to the Strategic Air Command's 821st Strategic Aerospace Division at Ellsworth AFB, S. D.

The sergeant is a graduate of McCauley High School.

## Dr. E. D. Perrin Attends Annual Scientific Assembly

Dr. E. Douglas Perrin 928 W. Lake Dr., is attending the Annual Scientific Assembly of the American Academy of General Practice in Philadelphia, Pa.

Dr. Perrin, a member of the Academy, will hear 28 guest speakers discuss up-to-the-minute health care topics. He will also have an opportunity to attend his choice of 158 scientific and more than 400 clinical seminars and visit 300 technical exhibits.

Subjects covered in this 4-day scientific session are of immediate interest to family doctors both in their everyday practice and in their constant effort to keep abreast of the latest advances in medicine. This year, topics include the newborn, drugs and teens, stroke rehabilitation,

injury-prone athlete, obesity, drug and patient defenses to cancer and the effect of exercise on the heart.

More than 3,000 family doctors are expected to attend the Academy's 21st annual convention. The Academy, headquartered in Kansas City, Mo., is the nation's largest medical association and the only national medical organization that requires its 31,000 members to keep "going back to school." All AA-

GP members must complete 150 hours of postgraduate study every three years.

He was accompanied by his wife. They also planned to visit Mrs. Perrin's relatives in Sheffield, Pa.

Rainfall recorded at City Pump Station in southwest Hamlin was .16 Monday.

Mr. and Mrs. Macario Montoya are parents of a boy, Mariano, born Oct. 5 at 8:35 p.m. He weighed 7 lbs. 14 oz.

# Neinda Philosopher Comes Up With New Idea Idea to Increase Income Of Professional Sports

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One gets over into the field of sports this week. We're not sure he should.

Dear editor:  
I don't usually have anything to say about sports, it's too serious a field for me, I stick with Congress, farming, international affairs, metropolitan incompetence and things like that, but like a good many million other people I've been watching professional football on television and near the end of a game the other Sunday a sudden thought hit me.

The score was 17 to 21. The home team had the ball and the 17 points and needed a touchdown to win. A field goal wouldn't do it, but there were only 31 seconds left and the team had no times-out left.

The quarterback was passing successfully and the receivers stepping out of bounds to stop the clock, the fans were all standing up and roaring and the announcer was straining his voice, but it was just too far to the goal line and time ran out. A few more plays and they might have made it.

Now here's a situation the owners and players of professional football are overlooking, when you remember it's a cash deal all the way around for everybody on both sides.

Why couldn't the team that's behind with 30 seconds to go stop the clock and offer the other team say \$50,000 for two more minutes of playing time? It'd be an offer hard to turn down, what with the players all having families and such.

Where'd they get the money? Where's the fan who wouldn't give a dollar to see his team one more chance to win? Just pass the hat and out of 75,000 people in the stadium 50,000 would kick in immediately with a dollar a piece, some even more.

If the team then got the drive going again but needed a few more times-out to conserve the extra 2 minutes, why couldn't it buy a few at say \$5,000 apiece? I understand a team is allowed 3 times-out in each half, but how many games have you seen when a few more in the closing seconds might make the difference between win-

ning and losing? Professional football could increase its income thousands of dollars a season just selling additional time-out at \$5,000 a throw, not to mention the larger amounts from selling extra time near the end of a cliff-hanger.

Come to think of it, why couldn't a baseball team buy an extra inning when it's behind 3 to 2 in the ninth? Say, this thing has unlimited financial possibilities.

Yours faithfully,  
J. A.

Funeral Services  
Held Saturday for  
Leflar Bruner, 64.

Leflar Bruner, 64, of Columbus, Ga., was buried here Saturday in Hamlin East Cemetery after 2 p.m. services in Calvary Baptist Church.

Born Jan. 17, 1905, in Neinda, he was the son of the late Mr. and Mrs. Louis B. Bruner. He was a retired civil service employee.

He died at 8 a.m. Thursday at his home, 4436 Longview Drive, in Columbus, Ga., where he had lived 20 years.

He was a member of St. Luke Methodist Church in Columbus.

A weekly public service feature from  
the Texas State Department of Health

## Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

If you're one of the persons who has a medicine closet jammed with leftover pills and capsules from previous illnesses, you may find yourself attempting self-medication, says the Texas Department of Health.

"Self-medication" means the administration of drugs to obtain yourself or your family without the advice of a physician. You may obtain these drug items at a pharmacy, or they may be leftovers from a previous treatment. In either instance, they may be dangerous.

When you use a left-over prescription, you may be using the wrong drug for the illness you are treating. It could make you worse.

Borrowing drugs from a friend because they "look like" those given you by a physician also can be dangerous since many pills and capsules look alike. Even if you get the correct drug, the strength of the tablet may be different from that which you need.

Changing tablets from one container to another for storage can lead you to take the wrong drug. The result could be a disaster.

One reason for indulging in self-medication is that you have a stock of drugs in your home. Most are built up by failure to complete a course of medication on a doctor's prescription. The presence of a large stock of assorted drugs in your home is a hazard. In addition to the temptation for self-medication, there's the possibility that a child — your own or a visitor — may spot them and think they are "pretty colored candies." Children have a habit of getting into things they shouldn't. Discarding unused drugs is good medicine.

Specific drugs are used to treat specific diseases. Even in a particular group of similar drugs, one of these drugs may be more effective against any particular disease. Your doctor is the best judge of the particular drug.

Special care should be taken with antibiotics. You should never administer them to yourself and you should always take them exactly in accordance with the instructions of your physician. If you have any antibiotics left over after a course of treatment, destroy them since they have only a limited period of effectiveness.

## Survey Shows Number of Miles Of Roads In Each County Precinct

What precinct in Jones County has the largest number of miles of roads to be maintained?

This question has been asked and discussed many times, even by the county commissioners themselves. No agreement could be reached.

The commissioners now are studying plans to redistrict the county's precincts and in order to have accurate figures, maps were ordered prepared to provide the information.

Lee Jacobs, who keeps the county's ad valorem tax roll up to date, was employed to do the job. Mr. Jacobs is a former employee of McMorris and Co., the firm which made the county revaluation survey and who contracted to keep the survey current.

Several interesting facts were brought out in the road survey. The number of miles of paved roads within the county is just about evenly divided.

Precinct 3, served by Commissioner V. A. McGee, has 86 miles of paved roads followed closely by Commissioner Tom Boyd of Stamford in Precinct 2, with 85.5. Precinct 1, served by Johnnie Agnew, has 84.5 miles and Precinct 4, represented by Commissioner J. E. Touchstone, has 83.5 miles.

There are 21 miles of roads

which divide the precincts. Care of these roads is divided between the commissioners butting of the roads. Twenty-one miles of roads adjoin incorporated towns.

Boyd's Precinct 2 has 265 miles of roads that must be maintained by the commissioner.

Agnew's Precinct 1 is second with 299 miles.

Touchstone's Precinct, in the southwest part of the county, has 175 miles.

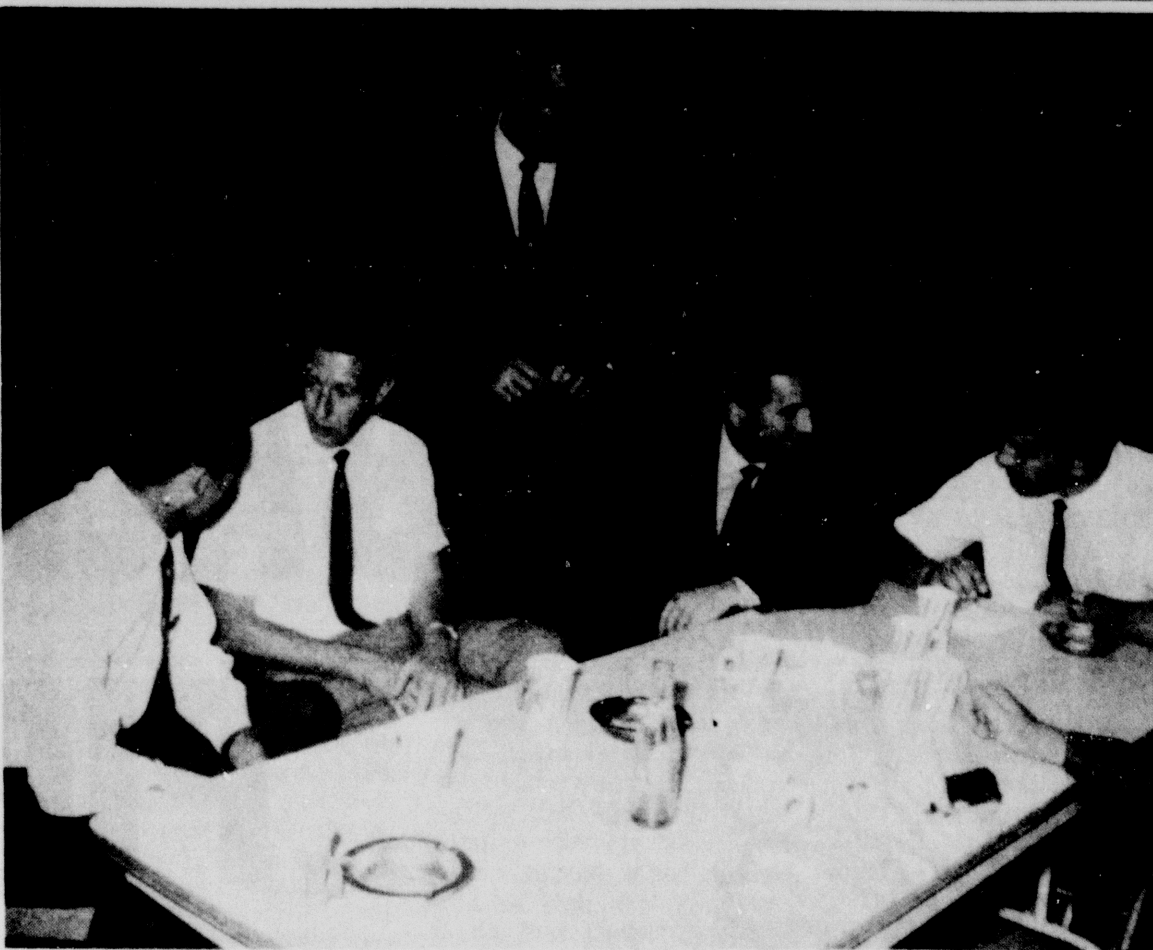

Precinct 3, served by McGee, including the Hawley area, has 167 miles.

### Camp Fire Council Makes Plans to Attend Meeting

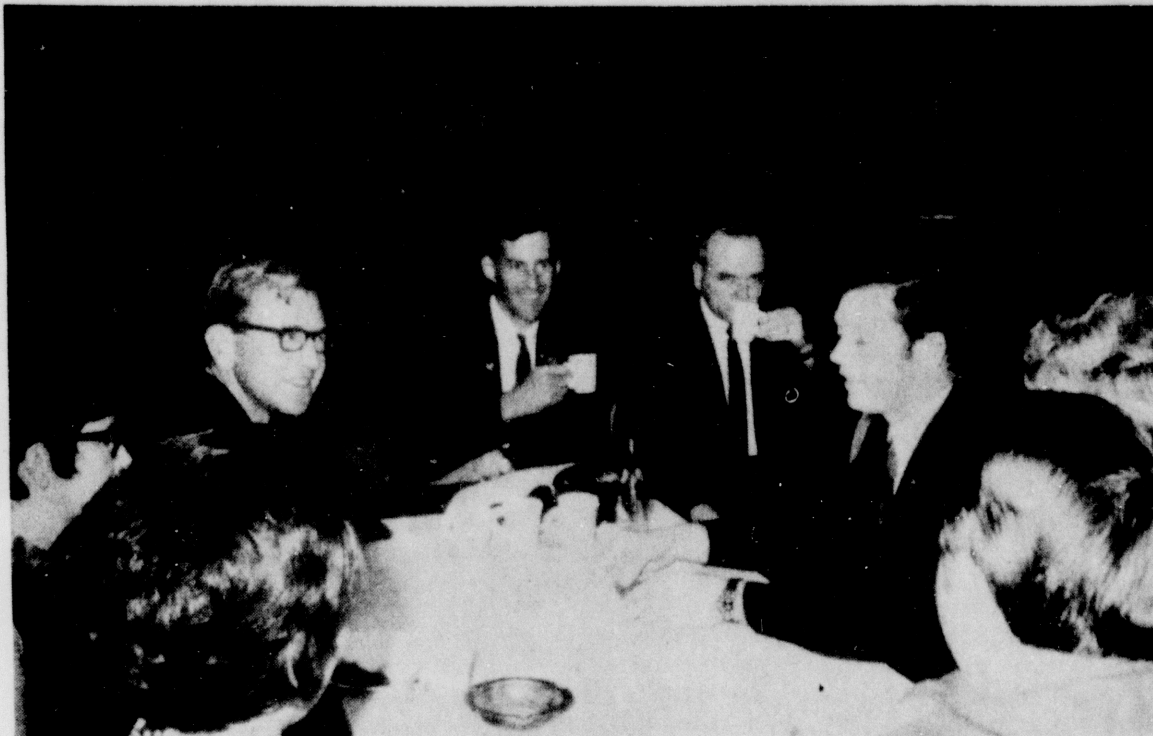

At the meeting of the Hamlin Camp Fire Council Sept. 30 at the Hut plans were made for attending the Region IV meeting to be held in Mineral Wells Nov. 17 and 18. A delegate to the meeting will be named later.

Charles Hilburn, president, presided. Others present were Mmes. Jack Wicker, Ray Edmiston, Hilburn, Eugene Baker; Mr. and Mrs. Don Pyron, Mr. and Mrs. James Crowley and C. L. White.

Mr. and Mrs. Guadalupe R. Ruiz are parents of a girl, Selia, born Oct. 6 at 6:30 p.m. She weighed 7 lbs. 6 1/2 oz.

NEW ZEALAND VISITORS—Joe E. Ford, left, and Melvin Scott, standing, both local Rotarians, visit with visitors from New Zealand here as participants in the Group Study Exchange Program. The visitors are left to right, Phil Beresford, Ashton G. Kelly, past district governor and group leader, and Allan Junge. The exchange is an educational activity of the Rotary Foundation. The group returned to Stamford after spending the afternoon in Hamlin.

SNACK SUPPER FOR GUESTS—Following a tour of Celotex Corporation Sunday afternoon, members of the Group Study Exchange Team from New Zealand were guests of the local Rotary Club at a snack supper and visiting session at the Jaycee Community Building. Here, reading clockwise from 12 o'clock are Dr. John Kent, N. Z.; Dr. James Harrison, Bill Palmer, N. Z.; Mrs. Joe Ford, Rev. Max Brown, Mrs. Brown, Mrs. Melvin Scott, and Graham Dempsey, N. Z.

## Pipers Shutout Merkel, 29-0

The Pied Piper offense began to roll in the second quarter Friday night as they scored four touchdowns to whip their first district opponent, Merkel, 29-0. The Piper defense kept Merkel bottled up most of the night and added two points to the score with a safety.

Halfback Robert Bolden put 12 points on the score board with runs of 20 yards and one yard. Tailback Spencer Ford added a touchdown with a five-yard carry and Quarterback Charlie Shira sneaked in from the one for the final score. End Duane Stewart took a pass from Shira for a two-pointer and kicked an extra point to complete the scoring.

The rugged Piper defense held the high scoring Badgers to 11 first downs and 220 yards total offense for the night. Gary Maberry and Bill Hodnett lead the defensive attack in the line.

The Pipers opened the contest with a drive that carried to the Badger 27 before coming to a halt. The Badgers came back with their best effort of the night as they moved from their 27 to the Piper five before losing the ball on a fumble. Steve

## SCORE BY QUARTERS

Merkel	0	0	0	0	0

Teichelman recovered back on the Hamlin 15.

Failing to gain a first down Shira punted to the Badger 45 with Merkel fumbling on the first play. Taking over on the 47 Bolden and Ford alternated carrying the ball and with the help of a 15-yard Merkel penalty picked up a first down on the 21. After having a pass fall incomplete, Shira carried for one and then Bolden broke loose around his left end for 20 yards and the first score. Stewart's kick was blocked.

Following the kickoff, the Pipers held Merkel to no gain and they punted out to the Hamlin 34. Fullback Don Bockman broke loose up the middle for a 61-yard gallop to the Badger five. Shira

gained two, Ford two and Bolden sweep his right end for the needed yard and the score. Shira passed to Stewart for the two pointer.

Merkel had trouble fielding the kickoff and ended up with the ball on their own four. Failing to gain a first, they went into punt formation and a bad snap from center sailed over the punter's head out of the end zone for a safety.

The Pipers held on to a short kick to open the second half of play only to fumble on second down at the Merkel 45. The Badgers drove down to the Piper 12 before giving up the ball on downs.

Ford picked up a first down on runs of 2 and 9, then added four more and Bolden picked up another first down on a 7-yard carry. Shira carried for 5 and passed to Bolden for 12 yards and a first down. Bockman picked up 2 yards and then Ford broke loose for 42 yards to the Merkel five. He hit into the right side of his line and powered his way in for the score. The kick was wide.

After several exchanges of punts Merkel put together another drive that carried

of 2 and 1 for the score. Stewart added the point after. The Pipers recovered an on-side kick and ran one play as the game ended.
